## short movies

**We help you realize your projects.** You're a media professional looking for an economical way to increase or improve the information content of your projects? Check out contunico! We offer self-contained short films averaging about 3'30" in length. You'll find a wide variety of themes that can be used in all media, whether for TV reports or as video clips on Internet platforms.

## Outstanding journalistic quality

**Professionals deserve the best.** Let yourself be inspired by exclusive stories and reports prepared with powerful images. We guarantee high journalistic quality through meticulous research as well as through the precise checking of numbers and facts. Discover a wealth of genres such as history, health, travel, nutrition and much more.

## all rights

**No legal worries.** You won't find an easier or more reliable way to acquire content from external sources. We offer internationally cleared rights for all forms of presentation and all distribution channels, for unlimited use during the license period.

## now!
