- »» Emotionally gripping series set in the best dance school in the country
- »» Young, dynamic and ultra-stylish - a must-see!

They've got fire in their feet and a buzz in their blood. They're dancers. Or at least, that's what they want to become. They've dreamt about it since they were kids. They're hooked on defying gravity and flying through the air. And now they're in Dance Academy. Their dreams are about to come true, right?

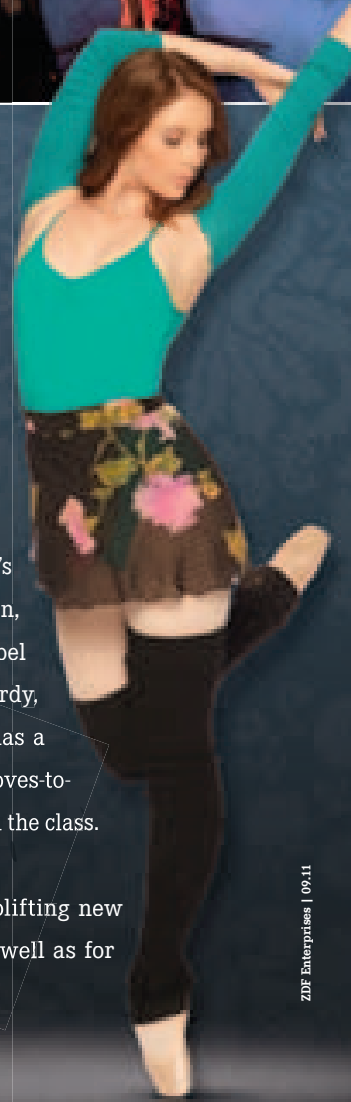

Raised on a sheep farm in rural Australia, Tara Webster is a perfectly normal teen. Except for the fact that she, along with other teens from various parts of the country, has made it into the National Academy of Dance in Sydney - the best dance school in Australia. And the toughest. Tara is the heroine of this dynamic series about teens who push themselves to their limits. Produced by Joanna Werner, it's brimming with cool music, dance, and all the emotions that tug at every teen.

It's through Tara's eyes that we enter the world of the National Academy of Dance. We follow her as she leaves home

and falls in love for the first time. It's friendships and jealousies, triumphs and disappointments. Does she have what it takes to be a dancer? Can she cope with the sacrifices she's required to make? Fortunately, Tara's not alone on her journey.

There's Kat, a perfect complement to Tara's wide-eyed innocence; Kat's brother Ethan, the Academy's golden boy; brooding rebel Christian, an adrenaline junkie, and nerdy, lovable Sammy. And since every hive has a queen, the role of the girl-everybody-likes-to-hate falls to Abigail Armstrong, the best in the class.

"Dance Academy" - an exhilarating, uplifting new drama series for tweens and teens, as well as for anyone who's ever had a dream!
